I'm guessing G7/G20 will take up a fair amount of time, but we could mention the papers we are reviewing for HHS on the WHO World Health Assembly.

There may not be a need but we could do a reminder about the meeting with the new UNEP perm rep, making sure we have the correct people invited to that meeting, and that Hodayah and I won't be there.

Team IOP, after reviewing calendars at yesterday's Senior Advisers meeting we determined that this week's IOP needs to be moved to a new date/time. Please stay tuned for a revised calendar invite later today.

Thanks everyone. I have a morning dr apt and will be in an apx 10:30 am today.
